

Reflect. Reset. Re-Imagine: A week of immersive learning.

12th-16th October 2020

Are you a forward-thinking professional looking to expand your knowledge, enhance your skillset, and grow your network? Would you benefit from the opportunity to meet like-minded individuals and forward-thinking organisations in a space where you can share ideas and take important steps towards driving change?

Have we piqued your interest? Then mark your calendars for the 12th-16th October 2020 for Reflect. Reset. Re-Imagine. A world-class interactive experience focused on learning, collaboration and sharing solutions. During the week you will have access to:

- First-rate speakers. Think industry experts from around the country/world who will be delivering engaging and insightful webinars designed to challenge our ways of thinking and ignite conversations.
- Networking opportunities with like-minded individuals, and industry-leading experts. From virtual think-tank spaces, to forums on dedicated topics, to informal chat rooms where you can kick back and catch-up with colleagues.
- An immersive exhibition hall, where you'll be able to interact with our exhibitors and sponsors, set up 1-1 meetings and find out more about the latest solutions and innovations designed to support the sector.

We've been working with a bespoke tech provider to ensure that you can access the content in a way that works for you. You'll be able to build your own unique experience by choosing the sessions that best fit with your diary and watch along live, or access everything on-demand at a time that works for you throughout the course of the week and for a limited period post-event.

This immersive event is not just about you but your whole organisation's resilience, learning and a space to re-imagine the future.

Who are we? We are Solace, the UK's leading network for public sector professionals, and we believe there's never been a more important time to come together and focus on building strong leadership foundations for today, and for the future.

The journey begins on 12th October. Will you be joining us?
